

VISION

青年视觉

We have never completely understood ourselves, just like we have never accurately acknowledged our subconscious. We do not know what exists in our subconscious, maybe fear, lust, love, hate, or deep memory? We only follow the beaming light of the subconscious, to seek, to describe, to prove important things that are hiding in our lives. For artists, the subconscious is the source of all inspiration. Artists know how to use the conscious to dig out, to create and to convey the subconscious. Therefore, the subconscious has a channel to show itself and to be presented.

Subconscious*

THE LUXURY OF TIME

JIMMY CHOO

奢侈的时光

photographer 曹雪峰 stylist 刘彬 editor 李媛

当花朵与蔬果失去新鲜的色彩，
如同为画面赋予一层泛黄滤镜，
呈现出别样的复古浪漫情怀。

凋零的花朵缠绕着缤纷的珠宝，异常夺目耀眼。
自然的和谐正体现在生物界凋零与盛开的周而复始，
一种规律的轮回。

唯独人类凝聚精神力量所创造的物质，
时刻保持绽放，且永不凋零。
