时尚灵魂的正反面

Trends may come and go, but style remains. After the thrills of anticipating for a new season to come, the past lingers. What makes fashion so mesmerizing is how we can always discover the future through the past, even the slimmest memory can somehow trigger the biggest impact, for the years to come. There is always something eternal behind the momentary delights, without it, fashion is just as fleeting as the seasonal flu.

或许，我们终日困守在空气污浊的城市和楼宇，但谁规定你的内心不能娇憨可人。小动物给设计者带来的无限灵感以及视觉享受，我们既可以用静态也可以用动态来展示。本季配饰就是以或孤立的萌宠造型或有情节的场景来表现珠宝首饰和包袋鞋履本身的憨态。
